## 3-MEMBER SUPREME COURT BENCH DOES NOT KNOW ABOUT VANUATU

A three-judge bench of the Supreme Court on Tuesday said there is no country called Vanuatu, while hearing a bail plea in a cheating case

## COMPARES IT TO FICTIONAL KAILASA

A bench of justices Vikram Nath, Sandeep Mehta and N V Anjaria was hearing a plea by the man challenging a Calcutta High Court order denying him bail. "You are a citizen of which country?" the bench asked. When the lawyer said the petitioner was a citizen of Vanuatu, the bench said, "There is no country like that. We also know a 'country' called Kailasa"

## ALLOWS PETITIONER TO WITHDRAW PLEA

The counsel argued that the petitioner was already granted bail in four other cases. The bench then asked the lawyer for West Bengal, "How much time will you take to conclude the trial?" The state's counsel said it was likely to conclude within six to eight months. The SC permitted the petitioner to withdraw the petition

## Gujarat voter list overhaul adds 5.6 lakh new voters

DILIP SINGH KSHATRIYA @ Ahmedabad

AFTER a three-and-a-half-month Special Intensive Revision drive, Gujarat's final electoral roll was published on February 17, revealing net addition of 5.60 lakh voters even as 3.95 lakh names were deleted. The exercise digitised over 4.34 crore voter forms and re-shaped district-wise electoral patterns, with Ahmedabad leading additions and Surat topping deletions.

Before revision, Gujarat's electoral base stood at 5.08 crore voters. Post-draft publication, the count rationalised to 4,34,70,109, signalling large-scale removal of ineligible or duplicate entries. Yet the story did not end with deletion; it pivoted toward calibrated expansion.

By the time the final roll was sealed, the voter base rose to 4,40,30,725. The arithmetic is revealing: after corrections and claims, Gujarat registered a net addition of about 5.60 lakh voters compared to the draft roll an indicator that new eligible voters, especially youth and migrants, successfully entered the system after scrutiny.

Ahmedabad alone added 1,53,234 voters, an overwhelming surge pointing to rapid urban expansion and fresh eligibility. Surat added 1,01,578 voters, reinforcing its dual identity as both a high-migration and high-registration district. Rajkot (53,517), Vadodara (47,070) and Bhavnagar (40,074) also registered strong growth, signalling population consolidation in urban and semi-urban corridors.

About 3.95 lakh voters were removed for death, migration or duplication, but fresh enrolments produced a net rise of 5.60 lakh voters in the final roll. Chief Electoral Officer Harit Shukla credited statewide participation, cooperation from voters, media, political parties and civil organisations.

## Spl global strategic partnership deal done with France

JAYANTH JACOB @ New Delhi

INDIA and France on Tuesday elevated their bilateral ties to a "Special Global Strategic Partnership," with Prime Minister Narendra Modi describing the relationship as a "force for global stability" amid rising geopolitical turbulence after a meeting with French President Emmanuel Macron in Mumbai. Following comprehensive talks in Mumbai during Macron's three-day visit, the two sides announced 21 outcomes spanning defence, critical minerals, high technology, renewable energy, health, skilling, startups and advanced materials.

"The world is going through a period of uncertainty. In such an environment, the India-France partnership is a force for global stability. We are combining France's expertise and India's scale," Modi said. He added that the two nations share a "very special relationship" built on trust and shared democratic values. "Together with President Macron, we have given this strategic partnership unprecedented depth and energy. Based on this trust and shared vision, today we are establishing our relationship as a 'Special Global Strategic Partnership,'" he said.

A key highlight of the visit was the virtual inauguration of the Air-

bus H125 helicopter final assembly line at Vemagal in Karnataka. The facility, set up by Airbus in collaboration with Indian partners, is expected to strengthen India's aeronautical manufacturing capabilities, boost workforce skilling and generate employment.

"Today's inauguration of the helicopter assembly line in India is another shining example of this deep trust. We are proud that India and France will jointly manufacture the world's only helicopter capable of flying to the heights of Mount Everest. And we will also export it to the entire world," Modi said. "In other words, the India-France partnership knows no boundaries; it can reach from deep oceans to the tallest mountains."

The agreements signed include enhanced defence cooperation, collaboration in critical minerals and advanced materials, and expanded engagement in clean energy and health sectors. Both sides also launched the 'India-France Year of Innovation' initiative to deepen people-to-people and startup linkages. Macron described India as one of France's most trusted partners and underlined the expanding defence relationship.

"From Rafale jets to submarines, we are expanding defence cooperation," he said.

The world is going through a period of uncertainty. In such an environment, the India-France partnership is a force for global stability. We are combining France's expertise and India's scale

Narendra Modi

India and France have decided to elevate their strategic partnership to the level of a Special Global Strategic Partnership. In diplomacy, that is a big deal

## Anthropic AI pact with Infy after rattling the IT sector

PADMINI DHURVARAJ @ Bengaluru

A fortnight ago, the launch of US-based Anthropic's AI tool had given Indian IT majors the jitters, raising questions about their future. On Tuesday, however, Infosys announced its partnership with Anthropic to develop advanced artificial intelligence solutions for businesses, aiming to bridge the gap between AI models that perform well in demonstrations and those that can operate effectively in highly regulated industries.

The two companies plan to help organisations in tightly regulated sectors adopt AI more effectively. Telecommunications, financial services, manufacturing and software development are expected to be the key beneficiaries.

Shares in Infosys climbed nearly 3% to about ₹1,407 on

## Creating customised AI agents for clients

Anthropic's Claude AI models will be combined with Infosys' Topaz AI platform. Together, they aim to create customised AI agents capable of handling complex tasks. To begin with, a dedicated Anthropic Centre of Excellence will be set up for the telecom sector

Tuesday following the announcement and closed the session with 2% higher.

"There's a big gap between an AI model that works in a demo and one that works in a regulated industry - and if you want to close that gap, you need domain expertise," said Dario Amodei, CEO and co-founder of Anthropic.

"Infosys has exactly that kind of expertise across important industries - telecom, financial services, and manufacturing. Their developers are already using Claude Code to accelerate their work and to create AI agents for industries that demand precision, compliance, and deep domain knowledge," he said.

The partnership focuses on building intelligent AI tools for enterprise use. "AI is not just transforming business - it is redefining the way industries operate and innovate," said Sailesh Parekh, Infosys CEO.

Early this month, Anthropic unveiled new automation tools for its Claude platform that can carry out tasks across legal, sales, marketing and data analysis functions. It triggered a bloodbath in Indian IT stocks, with the Nifty IT Index declining by 14%.

## Missing seven-year-old girl found murdered

EXPRESS NEWS SERVICE @ Tirupati

A 7-year-old girl who went missing in Madanapalle of Annamayya district was found murdered on Tuesday, sparking widespread shock and anger among residents.

S Rishika Priya, daughter of handloom worker Gopinath, went missing at Neerugat-tuvaripalli around 4.30 pm on Monday.

Her family lodged a complaint soon after, prompting police to launch a search operation under the supervision of DSP Mahendra. CI Mohammed Rafi and his team examined the CCTV footage in the area, and identified one Kulavardhan as the accused. He allegedly murdered the girl, and concealed her body in a drum.

According to the police, the accused behaved inappropri-

ately with several women in the locality earlier.

The incident triggered tension in Madanapalle. Demanding stringent action against the accused, locals staged a sit-in on the National Highway, bringing vehicular traffic to a grinding halt for several hours. They withdrew the protest following an assurance given by the district SP K Dheeraj that the accused would be brought to book.

Madanapalle MLA Shahjahan Basha expressed deep anguish over the incident. The MLA, who is attending the Budget Session of the Assembly, said he spoke to the victim's parents over the phone, and assured them of full support from the government.

The MLA said he had taken the issue to the notice of Chief Minister N Chandrababu Naidu. P4

## Anantapur turns green with bounty of water

CP VENUGOPAL @ Anantapur

AFTER battling decades of drought, the erstwhile united Anantapur district is witnessing prosperity with bountiful of water.

Once synonymous with water scarcity, the region comprising Anantapur and Sri Sathya Sai districts, is now brimming with water inflows from the Krishna and Tungabhadra rivers, aided by major irrigation projects.

The Handri Neeva Sujala Sravanthi Project and the High Level Main Canal (HLMC) have played a pivotal role in enhancing water storage levels in reservoirs, canals and tanks in the two districts.

Over the past eight months, the canal system has delivered 107.557 TMC of water, with current storage in reservoirs, tanks and groundwater sources standing at 63.667 TMC.

Rainfall has also been near normal this season. Anantapur district had recorded 456.4 mm against the normal rainfall of 462.7 mm, while Sri Sathya Sai district received 503.9 mm against its 529.2 mm average.

Together, the two districts received an estimated 323 TMC of rainwater, and of which nearly 39 TMC percolated into the ground, strengthening groundwater reserves, which are now put at 33.010 TMC. P4

## SPIRIT OF CRICKET

## 14 former captains to Pak govt: Treat Imran with dignity

EXPRESS NEWS SERVICE @ Chennai

IN a moving gesture, 14 former captains from different nations are rallying behind Imran Khan, who is struggling with ill-health. Expressing deep concern over the jailed cricketer-turned-politician's deteriorating condition, the captains including Sunil Gavaskar and Kapil Dev have written a letter to the Pakistan government ap-

pealing for adequate medical attention and dignified conditions in line with international standards for him.

Even former captains like Sourav Ganguly supported it. The words of the letter are laced with emotion. "We, the undersigned former captains of our national cricket teams, write with deep con-

cern regarding the reported treatment and incarceration conditions of Imran Khan, the distinguished former Captain of Pakistan and a legendary figure," read the letter titled Appeal by former International Cricket Captains. "Recent reports concerning his health - particularly the alarming deterioration of his vision while

in custody - and the conditions of his imprisonment over the past two and a half years have caused us profound concern." The letter has also been signed by Michael Atherton, Allan Border, Michael Brearley, Greg Chappell, Ian Chappell, Belinda Clark, David Gower, Kim Hughes, Nasser Hussain, Clive Lloyd, Steve Waugh and John Wright.

Gower told this daily that the

initiative was taken by Greg. "He asked I would sign, and I said yes," he said.

No Pakistan player has signed the letter that ends with emotional lines that transcends politics. "Cricket has long been a bridge between nations. Our shared history on the field reminds us that rivalry ends when the stumps are drawn - and respect endures. Imran Khan embodied that spirit..."

Odisha will be growth engine for Viksit Bharat: Governor

State targets raising per capita income from ₹1.8 lakh to ₹32 lakh by 2047

EXPRESS NEWS SERVICE @Bhubaneswar

GOVERNOR Hari Babu Kambhampati on Tuesday said Odisha is no longer waiting to be recognised, it is ready to thrive, blossom and lead the growth engine for Viksit Bharat.

Addressing the Odisha Assembly on the first day of the Budget session, Kambhampati said, the Vision document unveiled by Prime Minister Narendra Modi for Odisha on June 20, 2025, targets transformation of the state into a \$500 billion economy by 2036 and \$1.5 trillion economy by 2047.

The Governor said the state's contribution to the national GDP in that period will increase from three per cent to five per cent, with annual growth rising from seven per cent to 9.5 per cent through reforms in investment, execution and technology adoption. The Odisha government has prepared a comprehensive vision document for 2036, when the state turns 100 years, and for 2047 to mark the centenary of India's independence.

The Governor's speech highlighted the steps taken by the govern-

Hari Babu Kambhampati, Odisha Governor

The state's contribution to the national GDP in that period will increase from three per cent to five per cent, with annual growth rising from seven per cent to 9.5 per cent through reforms in investment

ment for all-round development of the state, in industry, infrastructure, health, education and agriculture sectors even as the Opposition BJD and Congress walked out of the House alleging it was all empty rhetoric.

The Governor said the state targets raising the per capita income from ₹1.8 lakh to ₹32 lakh by 2047, improving living standards, reducing multi-dimensional poverty to

five per cent, improving female labour force participation to 70 per cent, raising life expectancy beyond 80 years and eliminating anaemia and malnutrition, in alignment with India's Vision and global best practices.

Stating that the state government is grateful to the Centre for approval of two state-of-the-art semiconductor manufacturing units in Odisha under the India Semiconductor Mission, involving an investment of ₹2,066 crore, he said this marks a landmark step towards positioning Odisha as a semiconductor and electronic hub. "Infrastructure is not only concrete and steel, it is the silent enabler of every dream of a Samruddha Odisha by 2036," the Governor said.

The Governor said Centre's recent approvals for mega projects in Odisha reflect strong confidence in state's future and will unlock significant socioeconomic benefits. The approval of ₹8,900 crore for Rameshwar Paradip coastal highway will substantially improve coastal connectivity by reducing distance and travel time by 45 per cent.

Govt plans to cut funds for guarantee schemes: Siddhu

ASHWINI M SRIPAD @Bengaluru

WITH the state government at the receiving end of opposition barbs for spending large sums on guarantee schemes and allegedly ignoring development projects, Chief Minister Siddaramaiah may reduce allocations for these poll promises in the upcoming budget. He will do that by reducing the number of beneficiaries who are not eligible for the schemes.

Soon after coming to power in 2023, the Congress government implemented the guarantee schemes. In the supplementary budget that year, Siddaramaiah had allocated ₹35,410 crore for eight months. In 2024-25, the fund was ₹56,000 crore and in 2025-26 (the current financial year), it is around ₹51,000 crore.

As the government has removed several beneficiaries from different schemes for not meeting the eligibility criteria, and the allocation in the budget is expected to be less com-

pared to previous years. Now, 70-75 lakh women use free buses under the Shakti scheme every day. Transport Minister Ramalinga Reddy told The New Indian Express that they are streamlining to bring accountability and transparency.

That is the reason at the recent cabinet meeting, they approved a smart card for the Shakti scheme beneficiaries. "This will prevent the use of fake documents. At some places, even men are being issued free tickets by conductors, burdening the government.

With the smart card, we can allow only eligible beneficiaries to get the benefits," he said. Under the Anna Bhagya scheme, the government is providing groceries to 4.21 crore beneficiaries. But over the last few months, the Food and Civil Supplies Department has started weeding out bogus cardholders. Minister KH Muniyappa recently said that 20% of cardholders are not eligible.

'Hyd on course to become global life sciences capital'

EXPRESS NEWS SERVICE @Hyderabad

HYDERABAD has the potential to become a 'global life sciences capital' from a 'global vaccine capital', Chief Minister A Revanth Reddy said on Tuesday. Inaugurating Bio-Asia 2026 at HITEC along with IT and Industries Minister D Sridhar Babu, the chief minister said Telangana had attracted over ₹73,000 crore in life sciences investments over the past two years, reflecting the state's growing role in the sector.

He said BioAsia showcased Hyderabad's rising profile in global life sciences and expressed confidence that the summit would gain international recognition comparable to the World Economic Forum in Davos. Referring to the scale of participation, Revanth said conference could eventually be rechristened "Bio-World" to reflect its global reach.

Highlighting Telangana's strengths, he said the state had a clear policy framework.

BNP, Jamaat at loggerheads over referendum oath

DHAKA

BANGLADESH'S right-wing Jamaat-e-Islami's newly elected Members of Parliament on Tuesday refused to take the oath of office after the victorious BNP's denial to take the pledge as members of the "Constitution Reform Council".

Chief Election Commissioner AMM Nasiruddin administered the oath of office to the Bangladesh Nationalist Party (BNP) MPs inside the Jatiya Sangsad Bhaban in the first phase, and Jamaat MPs were next in line to take the oath.

"We will take no oath unless BNP MPs take oath as members of 'Constitution Reform Council' alongside regular parliament members," Jamaat's deputy chief Abdullah Mohammad Taher said. He said their party believed "parliament without the constitutional reform is meaningless".
